

August 7, 1959

Mr. Fred P. Hart
Associate Valuation Engineer
Valuation Division
State Board of Equalization
Sacramento 14, California

Dear Sir:

INCORPORATION - CITY OF ROSEMEAD

Proceedings for the Incorporation of the City of Rosemead were completed and the city became incorporated on August 4, 1959 when the necessary documents were filed by the Secretary of State and the County Recorder according to provisions of Sections 34300 et seq. of the Government Code.

The enclosed tabulation indicates the effect of this city incorporation upon the special districts involved.

This statement, with the enclosed tabulation, legal description of boundary and map of the incorporation, is submitted to you for filing in compliance with the provisions of Title 5, Division 2, Part 1, Chapter 8 (Sections 54900 et seq.) of the Government Code.

Yours sincerely,

John A. Lambie
COUNTY ENGINEER

IN RE PROPOSED INCORPORATION OF THE CITY OF ROSEMEAD AS A GENERAL LAW CITY: ORDER APPROVING METES AND BOUNDS DESCRIPTION OF BOUNDARIES OF THE PROPOSED CITY AND RESOLUTION CALLING ELECTION, ESTABLISHING PRECINCTS, APPOINTING ELECTION OFFICERS AND DESIGNATING POLLING PLACES, AND INSTRUCTING REGISTRAR OF VOTERS TO CONDUCT CANVASS OF VOTES.

This being the time set by the Board of Supervisors on April 30, 1959, for final action on the proposed incorporation of the City of Rosemead as a general law city, - said matter is called up; and on motion of Supervisor Chace, unanimously carried, it is ordered that the metes and bounds description of the boundaries of the proposed City of Rosemead, as described by the County Engineer and hereinafter set forth, be and the same is hereby approved.

And on motion of Supervisor Chace, unanimously carried, it is ordered that the following resolution be and the same is hereby adopted:

BE IT RESOLVED by the Board of Supervisors of the County of Los Angeles:

That an election be and the same is hereby called for Tuesday, the 14th day of July, 1959, to be held in the territory within the boundaries hereinbelow set forth, for the purpose of determining whether said territory shall become incorporated as a general law city to be known as the City of Rosemead, and for the purpose of electing the members of the City Council; all elective city officers of the proposed city, except councilmen, to be appointed by the City Council under the provisions of Sections 34300 and following of the Government Code of the State of California.

The boundaries of the proposed corporation are defined as follows:

For the purposes of said election the Board of Supervisors hereby finds that 13 precincts are a convenient and sufficient number, and therefore 13 special election precincts, as hereinafter designated, are hereby established for the purpose of conducting the said election within the boundaries of the said proposed city; and the following polling places and officers for said election are hereby designated and appointed for said precincts:

Clerk	Roslyn F Guadagnino	3176 N Rosemead Pl	"

A notice shall be given of said election, which notice shall set forth an accurate description of the boundaries of the proposed city as hereinabove described, the determination that in excess of 16,000 inhabitants reside within said boundaries, and the date of the election as hereinabove set. Said notice shall require the voters to cast ballots containing the words "For Incorporation" and "Against Incorporation," and the names of the persons to be voted for to fill the five offices of the City Council. All elective city officers of said proposed city, except councilmen, shall be appointed by the City Council under the provisions of Sections 34300 and following of the Government Code of the State of California. Said election shall be conducted and officers nominated pursuant to Part 2, Division 11, of the Elections Code of the State of California. No person shall vote at the election unless he is a qualified elector of the County, enrolled upon the Great Register, and has resided within the limits of the proposed city for at least 54 days next preceding the election.

Said notice shall be published in a newspaper of general circulation printed and published within the above described boundaries, or posted in at least four public places within said boundaries for at least two weeks prior to the election.

It is further directed that the canvass of votes shall be made by the Registrar of Voters pursuant to Section 7950 of the Elections Code.

I hereby certify that the foregoing is a full, true and correct copy of a resolution which was adopted by the Board of Supervisors of the County of Los Angeles, State of California, on May 5, 1959, and entered in the minutes of said Board.

HAROLD J. OSTLY, County Clerk of the
County of Los Angeles, State of
California, and ex officio Clerk
of the Board of Supervisors of
said County.

Dear Sir:

VARIOUS LIGHTING DISTRICTS
RESOLUTION WITHDRAWALS

Supplementing our reports to you regarding the effect on taxing districts of various city incorporations and annexations, we now report withdrawals from various lighting districts pursuant to resolutions of these cities.

Because of the high volume of such withdrawals, we have prepared the attached chart which shows for each withdrawal all the pertinent information. The effective date as stated in the last column, is the date on which contract modifications were completed, as required by Section 19234 of the Streets and Highways Code.

Yours sincerely,

John A. Lambie
COUNTY ENGINEER

GORDON T. NESVIG, CLERK OF THE BOARD

MEMBER OF THE BOARD
FRANK G. BONELLI
KENNETH HAHN
ERNEST E. DEBS
BURTON W. CHACE
WARREN M. DORN

STATE OF CALIFORNIA }
COUNTY OF LOS ANGELES } SS.

The territory set forth in the certified copy of boundary description attached hereto, and delineated on the map also attached hereto, was incorporated as a general law city under the name and style of CITY OF ROSEMEAD pursuant to an election held on July 14, 1959, and an order of the Board of Supervisors of the County of Los Angeles adopted on July 21, 1959, declaring said territory incorporated. Proceedings therefor have been completed, and all requirements of law pertaining to the said proceedings have been complied with.

I certify under penalty of perjury that the foregoing is true and correct.

HAROLD J. OSTLY, County Clerk of the
County of Los Angeles, State of
California, and ex officio Clerk
of the Board of Supervisors of
said County.

By 
Deputy Clerk

Dated this 4th day of August, 1959

WHEREAS, on the 10th day of February, 1959, there was presented to the Board of Supervisors of the County of Los Angeles, at a regular meeting of the Board, a petition for the proposed incorporation of a general law city to be known as the City of Rosemead, said petition setting forth the boundaries of said proposed city as approved by the County Boundary Commission, stating the approximate number of inhabitants therein, and providing for all city officers, except councilmen, to be appointed by the city council, under the provisions of Section 34300 and following of the Government Code of the State of California; and

WHEREAS, there was attached to said petition the affidavit of at least three qualified signers stating that the signatures to the petition are genuine; and

WHEREAS, prior to circulation of the said petition, the proposal for the incorporation of the said proposed city was submitted and reported upon to proponents by the County Boundary Commission with respect to the definiteness and certainty of the proposed boundaries, and the said County Boundary Commission on November 19, 1958, did approve said boundaries; and

WHEREAS, the territory described in said petition consists of a portion of the County of Los Angeles claimed by the proponents to contain approximately 20,000 inhabitants and not incorporated as a city; and

WHEREAS, upon presentation of said petition said Board adopted an order instructing its Clerk to ascertain the sufficiency of the said petition and report to the Board of Supervisors thereon within thirty days; and

WHEREAS, on the 10th day of March, 1959, the said Clerk reported to said Board that the said petition accurately describes the boundaries of the proposed city and is signed by more than twenty-five per cent of the owners in fee, or purchasers under written agreement to buy, of land situated within the limits of the proposed incorporation, representing more than twenty-five per cent of the value of the land included in the proposed city limits, as such value is shown on the last equalized assessment roll of the County of Los Angeles; and

WHEREAS, said Board on the 10th day of March, 1959, did adopt an order finding said petition to be signed by the requisite number of qualified signers and to describe correctly the boundaries of the proposed city, and directed its Clerk to accept the amount of money fixed by the Board to defray the cost of publication of the petition and notice of election; and

WHEREAS, on the 17th day of March, 1959, said Clerk reported to said Board the receipt of said amount of money necessary to defray the cost of said publication; and

WHEREAS, at a meeting on the 17th day of March, 1959, the Board of Supervisors did cause an order fixing the time for hearing on said petition, which time was fixed as the 10th day of April, 1959, at the hour of 2:00 o'clock a.m. on said day, and directing said Clerk to cause notice of said hearing to be published in at least two newspapers of general circulation printed and published in said County; and

WHEREAS, on the 10th day of April, 1959, said petition came on for hearing and said Board heard the same, and after said hearing said Board did adopt an order closing the hearing, finding and determining that

written protests to the proposed incorporation by owners of land within the boundaries as described in the petition for the proposed incorporation represent less than 51% of the total assessed valuation of the land within said boundaries, establishing the boundaries of said proposed incorporation as outlined, determining that in excess of 16,000 inhabitants reside within said boundaries, continuing the matter to the 5th day of May, 1959, and instructing the County Engineer to submit on said date notes and bounds description of the boundaries as established for said proposed incorporation; and

WHEREAS, on the 5th day of May, 1959, said Board did adopt an order approving the description of the boundaries of said proposed incorporation as described by the County Engineer, and adopted a resolution calling an election for the 14th day of July, 1959, to be held in the area proposed for incorporation, for the purpose of determining whether the same should become incorporated, and for the purpose of electing councilmen, and thereafter did give due legal notice thereof in the manner and for the length of time required by law, and said notice did accurately describe the boundaries of said proposed incorporation as set forth by said Board, which boundaries are described as follows:

WHEREAS, in pursuance to said order, said notice, and said proceedings, an election was duly held within said boundaries on said 14th day of July, 1959, and the returns of the votes cast at said election were by said Board of Supervisors duly declared to be official at its meeting of July 21, 1959; and

WHEREAS, upon said declaration it appears that a majority of the votes cast at said election are for the incorporation of the City of Rosemead;

NOW, THEREFORE, IT IS ORDERED that said Board by its order does hereby declare that all that territory situated in the County of Los Angeles, State of California, and embraced within the boundaries hereinabove described, is duly incorporated as a general law city under the name and style of the "City of Rosemead."

WHEREAS, it also appears upon the declaration of said votes that Henry E. Stead, E. A. (Bud) Williamson, Walter F. Lowrey, Al Cook and Harry S. Buchanan received, in the order named, the highest number of votes and are members of the City Council;

NOW, THEREFORE, IT IS FURTHER ORDERED that said Board by its order does hereby declare the aforesaid Henry E. Stead, E. A. (Bud) Williamson, Walter F. Lowrey, Al Cook and Harry S. Buchanan duly elected to the offices of City Council of said City of Rosemead.

IT IS FURTHER ORDERED that the Clerk of said Board be and he is hereby instructed to file the proper documents with the Secretary of State of the State of California and the County Recorder of the County of Los Angeles.

I hereby certify that the foregoing is a full, true and correct copy of an order which was adopted by the Board of Supervisors of the County of Los Angeles, State of California, on July 21, 1959, and entered in the minutes of said Board.

HAROLD J. ESTLY, County Clerk of the County of Los Angeles, State of California, and ex officio Clerk of the Board of Supervisors of said County.

Mr. B. A. Williamson
Chairman, Rosemead Incorporation
4241 North Arica Avenue
Rosemead, California

Dear Mr. Williamson:

At the meeting of the Board of Supervisors held April 30, 1959, following public hearing, the following orders were adopted on the incorporation of the proposed City of Rosemead:

1. Closing the hearing.
2. Finding and determining that there is less than 51% protests in the area.
3. Setting the boundaries as outlined on the map.
4. Determining that in excess of 16,000 inhabitants reside within the area.
5. Continuing the matter and instructing the County Engineer to submit metes and bounds description on Tuesday, May 5, 1959, for Board approval.

Very truly yours,

Re: Proposed Incorporation of
Area Known as Rosemead

Dear Sir:

At the meeting held on November 19, 1958, the County Boundary Commission reviewed the boundary description submitted by you on November 4, 1958, of the area known as Rosemead, proposed to be incorporated as a General Law City.

Two islands of unincorporated territory are created between the proposed boundaries of this incorporation and the existing boundary of the City of El Monte. Another large, irregular shaped island is created north of this proposed incorporation.

A corridor of unincorporated territory, consisting of a portion of Eaton Wash, is created between the proposed boundaries of this incorporation and the existing boundary of the City of El Monte.

Upon recommendation of the County Engineer, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 34303.5 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the area proposed to be incorporated as the City of Rosemead. A copy of the revised approved legal description is enclosed for your use.

Very truly yours,

GORDON T. NESVIG, Secretary

Attention Mr. G. T. Nesvig, Secretary

Dear Sir:

CITY OF ROSEMEAD
PROPOSED INCORPORATION

In compliance with your request of November 5, we have reviewed the submitted legal description of the proposed boundaries of this incorporation and report as follows:

1. The boundaries do not conflict with lines of ownership.
2. Two islands of unincorporated territory are created between the proposed boundaries of this incorporation and the existing boundary of the City of El Monte. Another large, irregular shaped island is created north of this proposed incorporation.
3. A corridor of unincorporated territory, consisting of a portion of Eaton Wash, is created between the proposed boundaries of this incorporation and the existing boundary of the City of El Monte.
4. Other boundaries are shown in relation to the proposed boundaries of this incorporation on the enclosed map.
5. The legal description as submitted requires revision to provide definiteness and certainty in accordance with Section 34303.5 of the Government Code.
6. Because of item 5 above, we have prepared the enclosed revised description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter and a list of special districts involved are enclosed.

Yours sincerely,

John A. Lambie
COUNTY ENGINEER

GENERAL DESCRIPTION
PROPOSED CITY OF ROSEMEAD

Bounded on the north by the Southern Pacific Railroad and
Lower Azusa Road.

Bounded on the east by the City of El Monte and
Eaton Wash.

Bounded on the south by Garvey Avenue, the San Bernardino
Freeway and Hellman Avenue.

Bounded on the west by San Gabriel Boulevard and the City of
San Gabriel.

Times - 11-16-58

Rosemead Opens Third Cityhood Try

**Proposed Bounds
Filed; Petitions
to Be Circulated**

ROSEMEAD — Cityhood proponents have launched their third attempt to incorporate Rosemead.

Chamber of Commerce President Walter Lowrey filed proposed boundaries of the new city along with an affidavit of intention to circulate petitions calling for an election with County Clerk Gordon Nesvig.

The move automatically "freezes" all areas within the proposed boundaries for annexation by neighboring communities for a period of 50 days.

90 Signatures Needed

Petitions signed by at least 25% of the property owners here must be obtained within that time to qualify for a ballot issue.

A cityhood attempt a year ago failed by a slim margin, and the first incorporation move in 1954 was soundly defeated.

Boundaries fixed for last year's incorporation try were encompassed by the Southern Pacific tracks and Lower Azusa Road on the north; the city of El Monte and Eaton Wash on the east; San Bernardino Freeway, Garvey Ave., and Hellman Ave. on the south, and the city of San Gabriel on the west.

Becoming New City Not Hard

★ ROSEMEAD

If Rosemead should become a city, it may be the first time an incorporation has got under way anywhere without the services of a lawyer.

Today, a week and a half after filing the initial application and maps, the movement's leaders still are on their own.

"And that's the way it's going to be," said B. A. Williamson, incorporation committee chairman.

"The idea that this is a complicated and difficult thing is a fiction. Our papers were as efficiently drawn, I'm convinced, as they would have been if an attorney had done the work."

Walter Lowery headed the map-making job and filed the notice of intention Nov. 6.

There will be a lawyer eventually, however.

"The time comes," Williamson explained, "when there are things to be done that only somebody with specialized legal training can handle. We know exactly when that moment will be."

Incorporation leaders said they probably would have called in an attorney at the start, but for the fact that they are operating on a limited budget.

The movement is now in a delay period. Williamson and the others are waiting for the word that their papers are in order.

P.S.N. 11-20-58

Rosemead 'Eligible' for Cityhood; Feb. 5 Signature Deadline

★ ROSEMEAD

Forces seeking to set up a city of Rosemead got word yesterday from the County Boundaries Commission that their papers are in order. That gives them until Feb. 5 to collect enough signatures to warrant a special election.

During that period they will have territorial immunity have territorial immunity from annexations by neighboring cities.

To extend it they will have to get approval of property owners holding 25 per cent of the assessed value and of 25 percent of the registered voters.

Chairman B. A. Williamson of the Rosemead Incorporation Committee announced petitions will start circulating today.

"We've been waiting for the word," he said. "Our people are ready to go."

Thus, Rosemead residents reached out for the third time in five years for a public ballot of incorporation.

Williamson said one of the big slogans of the campaign will be "Form a city and cut your taxes."

A statement issued yesterday by Opal Davis cited figures to prove that this can be done.

Rosemead residents, it pointed out, now have a 3.5105 per cent basic tax rate.

With a city buying services from the county, according to Mrs. Davis, the rate could be reduced to 3.2862 per cent

This is possible, she holds, because with incorporation three special districts would be eliminated from Rosemead's county tax impost. These are roads, lighting and sewer maintenance.

School taxes, since they would remain unchanged whether there is a city of Rosemead or not, are not part of the "basic" tax figures.

Incorporation forces hope to set up a city on the Lakewood Plan, with services provided through county contracts and all funds obtained through state subventions and grants.

County officials said the boundaries approved yesterday are virtually the same as in the incorporation election which lost by 399 votes, or 10 per cent, in July, 1957.

OPPOSITION AGREES

Feb 5N
11-25-58

Rosemead Cityhood Study Wins Backing

★ ROSEMEAD

The head of the opposition last night urged Rosemead residents to "take a long look at this incorporation question and vote for it if it's good."

Ray Casares told the communities Co-ordinating Council he was against the cityhood movement because there has been no adequate study.

"But," he added, "I'm going to study it myself. And if I find that it is desirable, I'll vote for it. My advice is, go back to your organizations and tell them to get into this study, whether they are for incorporation now or against it."

Casares is president of the Rosemead Homeowner's Assn. The group twice successfully fought incorporation during the past five years.

The chairman of the Rosemead Incorporation Committee, R. A. Williamson, said this morning he found nothing wrong with Casares' sentiments.

"All we ask is impartial study," Williamson said. "We feel confident that any Rosemead resident with an open mind will end up where we are."

Even if the result is wider opposition, he added, he would still be for investigation rather than apathy.

The incorporation leader also announced his approval

of Casares' list of six citizens to look into the cityhood question.

They are: Robert Parsons, Kenneth Hensler, Burl Blue, Jack Schochat, Mrs. W. G. Hasbrouck and Rev. Elroy O. Huebner.

"I could name at least 100 others as capable," Williamson said. "But if these are the people Casares wants, I'm for them."

The group, together with an equal number named by the incorporation forces, will make a survey of the prospects of forming a city of Rosemead.

Williamson also announced that his committee will start circulating petitions immediately after its meeting, Monday night. The session will be in room 22, Rosemead High School.

If sufficient signatures by Feb. 3, the cityhood question will go on the ballot in a special election.

P.B.S.N. 12-10-58

CITY OF ROSEMEAD—THEY HOPE

The city of Rosemead, approved by the county Board of Supervisors, is virtually the same as in two previous incorporation tries. Petitions

currently are being circulated. A new city is expected next spring.

CITYHOOD CAMPAIGN

Group in Rosemead Rearms for Drive

★ ROSEMEAD

Incorporation forces will hit the Rosemead doorbell trail for election signatures Dec. 15 armed with photostats of official property records.

The camera, they said, will make this cityhood campaign the most modern ever.

Covina Votes Unified School Study

★ COVINA

A request for a study of unification of the Covina School District along present district lines has been ratified by the Covina school board.

The action presents a potential boundary line problem, which the County Augmented Committee on School District Reorganization will have to iron out.

West Covina's own plans for unification, not yet reached the formal stage, call for unification of all territory in the West Covina School District, plus county territory south of the freeway.

Some of this area now is in the Covina School District, which means that the two districts' unification proposals overlap each other.

Speaking to a West Covina unification committee, Fred Bewley, adviser to the county standing committee, announced that the county will study the district conflict sometime in January.

"We'll know exactly where we stand every minute of this drive," said B. A. Williamson, Incorporation Committee chairman. "With these photostats, our petitions contain a legal description of the property of each signer together with the assessed value of his land."

To qualify for election, the cityhood proposition must be backed by signatures of at least 25% of the community's land value. It will also need signatures of at least 25% of the registered voters.

Walter Lowery, who handled most of the engineering work for the committee, did the photostating. He worked nights in the county tax offices all last week.

"No other incorporation has ever had anything like this, as far as I can find out," he said.

Williamson said a briefing session has been arranged on the eve of circulating petitions to get the question on the ballot.

"We want all our people to be able to answer any questions," Williamson said.

The meeting will open at 7:30 p.m. in Room 22, Rosemead High School.

P.S.N. 3-10-59

Rosemead Cityhood Leaders Jubilant

The ballot box today became the last big hurdle before the forces that want to make Rosemead a city.

Gordon T. Nesvig, clerk of the Board of Supervisors, said the petitions filed last month contained more than enough signatures.

The county's assessor's findings will be submitted to the supervisors today.

Official figures showed 29.38% of Rosemead's property owners backed incorporation by signing, and they own 33.94% of the communities real estate.

All that was needed was 25% of each.

The findings mean the public will vote for the third time in five years on the cityhood question.

Incorporation was beaten by narrow margins on the two earlier ballots—in 1957 by 400 votes, with a total of 4,000 cast.

The election this time probably will come in July or August.

County officials said the date will be set after a hearing at which those against cityhood will have a chance to protest. The hearing will probably be called in about two months.

A bitter fight is expected then, since there is powerful opposition to the cityhood move.

B. A. Williamson, Rosemead Incorporation Committee chairman, said he would not be surprised if some residents, on the fringes of the proposed city, asked to be excluded.

Williamson, Walter Lowery, Opal Davis and other cityhood leaders were jubilant this morning when the petition figures were made public.

"We knew we'd make it," Lowery said, "but 33.94% carries us over the top by about 4% more than last time. This

shows how sentiment is running."

Leaders in the Rosemead Homeowners Association, which is against the cityhood movement, said they will bring out their big guns shortly.

Storm Brews as Rosemead Boundary Hearing Due

By BILL MAYER

ROSEMEAD—A stormy session is forecast for the hearing coming up before the Los Angeles County Board of Supervisors tomorrow on the proposed Rosemead city boundaries.

But in the end, incorporation forces believe, nothing will be changed.

"That's the way it's been going in these things," said B. A. Williamson, Rosemead Incorporation Committee chairman. "Everybody has a chance to protest, but the boundaries stay the same."

This he pointed out, was the experience of nearby South El Monte, some 14 months ago. It has happened more recently elsewhere.

Representatives of both San Gabriel and the proposed City of South San Gabriel are expected to lodge objections during the hearing.

Both communities claim Rosemead is trying to grab territory belonging to them.

Late in March, South San Gabriel forces started canvassing an 18-block area bounded by San Bernardino Freeway, Garvey and Ivar Aves., and Rosemead Blvd., now on the Rosemead map.

"Asked to be excluded," they urged residents, Sign petitions you want to be in South San Gabriel."

Early this month, Jim Burgess, manager of the San Gabriel Chamber of Commerce, announced his city was interested in still another chunk of land.

The strip runs from power lines, west of Muscatel avenue to the city boundary and from Southern Pacific tracks to a line north of Valley boulevard.

Walter Lowery, Opal Davis, Harry Tullar and other Rosemead incorporation leaders believe neither San Gabriel nor South San Gabriel will come up with much support.

Most of the residents in both strips, Lowery said, want to be in Rosemead if the cityhood vote is favorable.

"And the supervisors," he noted, "don't usually tamper with maps even when the majority wants exclusion."

The Rosemead cityhood election probably will be set for sometime in July.

This will mark the third time citizens have gone to the polls to vote on the incorporation question here.

Two years ago the attempt lost by about 400 votes out of 4,000.

Rosemead to Ignore 'Exclusion' Try

ROSEMEAD — Incorporation leaders will advise their competitors to ignore efforts by South San Gabriel forces to upset the boundaries of the proposed city.

"We will go on as if this had not happened," said Opal Davis in announcing a Monday night meeting of the Rosemead group.

The session will start at 8 p.m. in Room 22, Rosemead High School.

South San Gabriel civic leaders, also pushing for incorporation, are canvassing an 18-block area, urging residents to demand exclusion from Rosemead.

Rosemead's lines will be set officially after a hearing for the Board of County Supervisors April 30.

P35. S.N. 4-2-59

VXX—STAR-NEWS, WEDNESDAY, APRIL 2, 1959

Rosemead Battles Predatory Neighbors Seeking to Enlarge City Limits

ROSEMEAD—Neighboring communities in all directions seemed to want slices of this proposed city.

The most recent maneuver has come from San Gabriel, directly to the west.

Jim Burgess, manager of the San Gabriel Chamber of Commerce, brought the word to the Rosemead Incorporation Committee.

"The business interest," he said, "feel you should omit from your proposed map the strip running from the power lines west of Muscatel avenue to our present

city boundary. That strip should be ours because it would tend to straighten out the San Gabriel lines."

The incorporation forces said nothing doing.

"Our boundaries, as proposed, have already been presented to the County Board of Supervisors," said Chairman B. A. Williamson. "Even if we felt that the people in that area were against Rosemead incorporation—and we don't—we certainly would regard an inclusion move on our part as very poor strategy."

Williamson said this sort of thing could upset the

whole incorporation procedure.

Walter Lowery, Opal Davis, Harry Tullar and other Rosemead cityhood leaders agreed. They noted that they had fought hard, to get enough signatures filed on time so that the proposed boundaries could not be violated until the whole incorporation question was decided by public ballot.

They were unanimously against recommending any change in the map.

The San Gabriel Chamber's plea was presented to

the cityhood forces, Monday night. It met with such powerful resistance, that Williamson didn't consider it necessary to put the question to a vote.

The Rosemead group also is fighting a recent move by South San Gabriel forces to carve away 18 blocks of the proposed city between the San Bernardino Freeway, Rosemead Blvd., and Garvey and Ivar Aves.

Williamson pointed out that all Rosemead's predatory neighbors will have their day to protest, and there is a proper place to do it.

ROSEMEAD WINS *Daily* CITYHOOD OK *Journal* *7-21-59*

The Board of Supervisors yesterday certified the results of the July 14 Rosemead election at which residents of the San Gabriel Valley Community voted to become the County's 65th city.

Incorporation was approved by a vote of 2,298 to 1,282.

The new city is bounded by San Gabriel on the West, Temple City on the North, El Monte on the East, South El Monte on the Southeast and South San Gabriel on the Southwest.

Out of 81,744 persons arrested on felony charges in California during 1958, 26,592 actually appeared in Superior Court, although 36,380 had felony complaints filed against them.

Rosemead

War

The battle of the Rosemead city council ended its third session with this city having gained territory already in a pending Monte annexation.

The Rosemead city council voted unanimously to claim a small area to the west of Marshall street, Eaton street, Lotus drive and Rosemead avenue.

Monday night the phase two of the annexation accepted by the city line south of the yard. The area is uninhabited and is by Rosemead.

The last of October to a date both El Monte and Rosemead are in this territory.

City Attorney Woollett he is confident will win the case. The controversy between El Monte and Rosemead is apparently a legal one, and wrong.

An annexing an inhabited area, Woollett stated.

The cause of the annexation is the cause of the inhabitants of the community directly.

He also said that the city council should wait for the decision because the Rosemead would not punch. The city council accepted the plan and referred the plan to the planned.

"Our annexation," Woollett said, "is illegal."

He also said that the city council should wait for the decision because the Rosemead would not punch. The city council accepted the plan and referred the plan to the planned.

All Rosemead residents need to know is that the city council should wait for the decision because the Rosemead would not punch. The city council accepted the plan and referred the plan to the planned.

Woollett said that the city council should wait for the decision because the Rosemead would not punch. The city council accepted the plan and referred the plan to the planned.

He also said that the city council should wait for the decision because the Rosemead would not punch. The city council accepted the plan and referred the plan to the planned.

Land Bottle Booms

Rosemead

Meets on

ROSEMEAD. — Land-owners of Rosemead passed into South San Gabriel last night, but after an excellent dinner, they decided to move to the out of the state.

A special meeting was held in the afternoon, resulting in the approval of a resolution asking the city for expansion in the form of Annexation No. 7.

The annexation, having fewer than 12 persons living within its boundaries, is legal in an uninhabited area.

All that is needed for Rosemead or any city to take action is consent of owners of more than 20 per cent of the property.

Annexation No. 7 embraces a small area bounded by the El Monte Road, El Monte Road, Garvey Avenue, El Monte Road and a line about 100 feet north of Garvey.

If the new action is successful, it will keep El Monte from pushing southward across Garvey. It would thus block El Monte from South San Gabriel, which turned back an incorporation attempt on Tuesday.

Page 3, N. 5-11-60

Rosemead Repays Loan; Budget Surplus \$80,000

ROSEMEAD—Rosemead last night paid back a \$20,000 loan used to set up city government when this city incorporated in August and learned that it had its first fiscal year in operation with a budget surplus of approximately \$80,000.

William Woollett Jr., city administrator, told councilmen that adequate funds were now available to repay the loan and still have money in the city treasury. The City Council also authorized Woollett to serve with El Monte chief administrative officer, Telpher Wright and property owners in two industrial tracts to learn their feelings on joining Rosemead.

The two city administrators will confer with owners of businesses in two areas presently in El Monte city limits but surrounded on three sides by Rosemead.

The two city councils met last week and suggested a possible compromise of a court battle over annexation of a commercial tract on Valley boulevard at Baldwin avenue.

Woollett and Wright will poll property owners on whether or not they will consider joining Rosemead. Permission of both property owners and the El Monte council would have to be granted for such action.

Glenn R. Watson, Rosemead city attorney, last night informed the council that court action on a city writ seeking a permanent injunction against El Monte preventing annexation of the contested property has been re-scheduled for May 27.

A temporary injunction is now in force preventing El Monte from moving ahead with annexation plans.

Neighbor Lures City Official

ROSEMEAD—The Rosemead City Council has agreed to accept the resignation of city administrator William Woollett today, after he had been for a short time with the new city of Temple City.

Woollett, who had been with the city since its incorporation in 1925, was submitted his resignation last night. He had been working during a recent session of the council.

He said he was leaving because he was not sure if Temple City would be "too good to turn down."

Woollett has served with the Rosemead council since that city incorporated last August. His resignation becomes effective as soon as the final certification of Temple City's incorporation election is announced. The board of supervisors yesterday approved certification and forwarded its results to secretary of state Frank M. Jordan for final action.

Rosemead councilmen said that no possible successor has been considered. The council said they had no idea Woollett was considering changing employment until Monday's executive session.

The personnel session had been called to consider appointees for the city's traffic commission and historical society.

Rosemead Welcomes City Administrator

By BILL MAYER

ROSEMEAD—City councilmen, planning commissioners, members of the Traffic Commission and Chamber of Commerce representatives met in an informal session yesterday to welcome this city's new administrator, Milton Farrell.

Farrell, 35, will officially take over as administrator June 6, replacing William Woollett Jr., who resigned two weeks ago to accept a position with the newly incorporated community of Temple City.

Woollett will complete and present the Rosemead city budget on June 7, then take over duties with neighboring Temple City.

Temple City's election will be officially certified Wednes-

day evening in ceremonies at Temple City High School.

On hand at yesterday's special meeting to greet Farrell and outline the city's program were Councilmen Walter Lowrey, John Phinney, Wallace Johnson, Henry Stead and Mayor Arnold Andersen.

Also at the meeting was Chamber President Stuart B. Glavin, Attorney Glenn W. Scates, William Scales, Traffic Commission chairman, Joseph Wilt and Noah A. Stump, city treasurer.

LEGAL NOTICE

NOTICE OF HEARING ON PETITION FOR THE PRO- POSED INCORPORATION OF THE CITY OF ROSEMEAD AS A GENERAL LAW CITY

NOTICE IS HEREBY GIVEN that on the 30th day of April, 1958, at the hour of 9:30 A.M., or as soon thereafter as said matter may be heard, in the Hearing Room of the Board of Supervisors of the County of Los Angeles, 501 Hall of Records, Los Angeles 12, California, a public hearing will be had before said Board on the petition for the incorporation of the city of Rosemead as a General Law City.

FURTHER NOTICE IS HEREBY GIVEN that written requests for exclusion, and all persons wishing to be heard on the matter of the size and shape and establishment of the boundaries of the proposed city, will be heard and considered by the said Board at the said time and place.

FURTHER NOTICE IS HEREBY GIVEN that the petition for the incorporation of an unincorporated portion of the County as the City of Rosemead has been filed and may be inspected in the Office of the Clerk of the Board of Supervisors of the County of Los Angeles.

DESCRIPTION OF THE PROPOSED BOUNDARIES OF THE PROPOSED CITY OF ROSEMEAD

DESCRIPTION OF PRO- POSED INCORPORATION OF THE CITY OF ROSEMEAD (Revised)

All that boundary in the County of Los Angeles, State of California, bounded and described as follows:

Beginning at the intersection of the southerly line of the Southern Pacific Railroad Company's right of way, 100 feet wide, as said right of way is shown on map of Tract No. 12056, as per map recorded in Book 223, pages 33 and 34, of Maps, in the office of the County Recorder of Los Angeles County, with the easterly boundary of the City of San Gabriel, as said easterly boundary existed on November 3, 1958; thence southerly following the various courses of the boundary of the City of San Gabriel, as said boundary existed on November 3, 1958, to a point in that course of said boundary that runs along the northerly line of Marshall

Street, said point being on the northerly prolongation of the westerly line of Lot 86, Tract No. 12491, as per map recorded in Book 235, pages 46 and 47, of Maps, in the office of said Recorder; thence southerly in a direct line to the southwest corner of Lot 89 of said Tract No. 12491; thence easterly in a direct line to the southeast corner of said Lot 89; thence southerly in a direct line to a point in the westerly line of Lot 44, Tract No. 12492 as per map recorded in Book 245, pages 39, 40 and 41, of Maps, in the office of said Recorder, said last mentioned point being the southerly terminus of the straight line portion of said last mentioned westerly line; thence southeasterly along the southwest-erly boundary of said Lot 44 to a point in the southerly line of said Lot 44 at the westerly terminus of the straight line portion of said last mentioned southerly line; thence easterly in a direct line to a point in the southerly line of Lot 156 of said Tract No. 12492 at the easterly terminus of the straight line portion of said last mentioned southerly line; thence easterly along the easterly prolongation of the straight line portion of said last mentioned southerly line to a line that is parallel with and distant 205 feet westerly measured at right angles from the westerly line of Section Avenue 40 feet wide (Flower Avenue) as shown on Map of Tract No. 3752, as per map recorded in Book 40, page 69 of Maps, in the office of said Recorder; thence northerly along said parallel line to a line that is parallel with and 150 feet northerly measured at right angles from the southerly line of Lot 1 of said Tract No. 3752; thence easterly along said last mentioned parallel line to the easterly line of said Lot 1; thence northeasterly in a direct line to the southwesterly corner of Lot 6, said Tract No. 3752; thence easterly in a direct line to the southeasterly corner of Lot 10, said Tract No. 3752; thence southeasterly in a direct line to the southwesterly corner of Lot 15 of said Tract No. 3752; thence easterly in a direct line to the southeasterly corner of said Lot 15; thence southeasterly in a direct line to the southwesterly corner of Lot 1, Tract No. 4778, as per map recorded in Book 53, pages 92 and 93 of Maps, in the office

of said Recorder; thence easterly in a direct line to the southeasterly corner of Lot 4, said Tract No. 4778; thence southeasterly in a direct line to the northwesterly corner of the southerly 100 feet of Lot 20, said Tract No. 4778; thence easterly along the northerly line of said southerly 100 feet to the boundary of Tract No. 13972, as per map recorded in Book 352, pages 10 and 11 of Maps, in the office of said Recorder; thence southerly along said last mentioned boundary to the southwesterly corner of Lot 40, said Tract No. 13972; thence southerly in a direct line to the northwesterly corner of Lot 25, said Tract No. 13972; thence southerly in a direct line to the southwesterly corner of Lot 24 of said Tract No. 13972; thence easterly along the southerly line of said Lot 24 to the easterly line of Lot 140, Tract No. 3706 as per map recorded in Book 40, page 39, of Maps, in the office of said Recorder; thence southerly in a direct line to the southwesterly corner of Lot 6 Block A, Tract No. 10732, as per map recorded in Book 185, page 27, of Maps, in the office of said Recorder; thence easterly in a direct line to the southeasterly corner of Lot 10, Block A, said Tract No. 10732; thence southerly in a direct line to the most easterly, southeasterly corner of Lot 1, Block A, of said Tract No. 10732; thence continuing southerly along the southerly prolongation of said last mentioned direct line to the easterly prolongation of the southerly line of said last mentioned Lot 1; thence easterly in a direct line to the intersection of the southerly line of said last mentioned

formerly River Avenue, as said last mentioned easterly line is shown on map of Record of Survey filed in Book 24, page 6, of Record of Surveys, in the office of said Recorder, with a line that is parallel with and distant 50 feet northerly, measured at right angles from that certain course in the center line of Garvey Avenue shown as having a bearing of North 89° 45' 30" East on said Record of Survey map; thence easterly along said last mentioned parallel line to the northwesterly boundary of the City of El Monte as said last mentioned boundary existed on November 3, 1958; to the southerly prolongation of the westerly line of the easterly 40 feet of Lot 5 in Block 10 of Rosemead, Sheet 2, as per map recorded in Book 21, pages 114 and 115 of Maps, in the office of said Recorder; thence northerly in a direct line to the intersection of the southerly line of Lot 31, Tract No. 5181, as per map recorded in Book 107, pages 31 and 32, of Maps, in the office of said Recorder with a line that is parallel with and distant 40 feet westerly, measured at right angles, from the easterly line of Lot 6, Guess Tract, as per map recorded in Book 21, page 63, of Maps, in the office of said Recorder; thence easterly along said last mentioned southerly line to a line that is parallel with and 50 feet westerly measured at right angles, from the easterly line of said Tract No. 5181; thence northerly along said last mentioned parallel line to the northeasterly line of Lot 22 of said Tract No. 5181; thence northerly along the northeasterly line of said Lot 22 and northwesterly prolongation

thereof to the southerly prolongation of the easterly line of Lot 4, Tract No. 5740, as per map recorded in Book 44, page 38, of Maps, in the office of said Recorder; thence northerly along said last mentioned easterly line and prolongation thereof to the southerly prolongation of the easterly line of Lot 7, Tract No. 14715, as per map recorded in Book 327, pages 3, 4 and 5, of Maps, in the office of said Recorder; thence northerly in a direct line to the northwesterly corner of Lot 8 of said Tract No. 14715; thence northerly along the northerly prolongation of the easterly line of said Lot 8 to the southerly boundary of the City of El Monte as same existed on November 3, 1958; thence westerly and following the various courses of the boundary of the City of El Monte as same existed on November 3, 1958, to an angle point in said boundary, said angle point being the northwesterly corner of Lot 1, Tract No. 14535, as per map recorded in Book 298, pages 6 and 7, of Maps, in the office of said Recorder; thence northerly in a direct line to an angle point in the westerly line of Lot 2 of said Tract No. 14535 at the northeasterly corner of Tract No. 9411, as per map recorded in Book 127, page 12, of Maps, in the office of said Recorder; thence northerly in a direct line through the most northerly corner of Lot 2 of said Tract No. 14535 to a line that is parallel with and distant 150 feet northerly, measured at right angles, from the center line of the Southern Pacific Railroad Company's right of way as said line is shown on said map; thence northerly along said last mentioned

Tract No. 14535; thence easterly in a direct line to an angle point in the boundary of the City of El Monte at the north-west corner of "Annexation District No. 36" to the City of El Monte, filed August 3, 1950, in the office of said recorder; thence easterly and following various courses of the boundary of the City of El Monte as same existed on November 3, 1958, to the north-west corner of Lot 74, Tract No. 12998, as per map recorded in Book 264, pages 24 and 25, of Maps, in the office of said Recorder; thence westerly in a direct line to the northwest corner of Lot 1 of said Tract No. 12998; thence northerly along the northerly prolongation of the westerly line of said last mentioned Lot 1 to the southerly line of Lower Azusa Road, 60 feet wide as shown on said map of Tract No. 12998; thence westerly along the southerly line of Lower Azusa Road as shown on map of Tract No. 13329, as per map recorded in Book 266, pages 36 and 37, of Maps, in the office of said Recorder and on map of Tract No. 1238, as per map recorded in Book 17, page 196, of Maps, in the office of said Recorder, to the northerly line of the Southern Pacific Railroad Company's right of way, 100 feet wide, as shown on map of Tract No. 13329, recorded in Book 225, pages 41 and 42, of Maps, in the office of said Recorder; thence westerly along the northerly line of the Southern Pacific Railroad Company's right of way, 100 feet wide (Main Line to Yuma) to the westerly line of the parcel of land described in deed to The State of California recorded in

Book 15307, page 316 of Official Records in the office of said Recorder; thence southerly along said last mentioned westerly line to the southerly line of said last mentioned right of way; thence westerly along said last mentioned southerly line to the point of beginning.

City Attorney Replaced in Rosemead

ROSEMEAD—Glenn Watson will be installed here as city attorney tomorrow night, five days after the original scheduling of the event.

Seating of Watson was to have occurred at a special city council meeting last Friday but the action was delayed because not all newspapers were notified of the session.

He will replace Warren J. Ferguson, who resigned to become a judge in Orange County.

Watson serves also as city attorney for Industry, Artesia, Brea and Valley.

10-27-54

Rosemead Seeks Boundary Change

The Rosemead City Council has delayed action on making a proposed request to the Board of Supervisors to have that community included in the East Superior Court District.

Under the new district plan, Rosemead is included in the Northeast District and therefore would be required to take Superior Court cases to Pasadena instead of Pomona.

The Rosemead Council voted to request that community be included in the East District at about the time the Supervisors established boundaries.

City Attorney Glenn Watson believes that the boundary line may still be shifted a short distance to put Rosemead in the East District.

PROPOSED CITY OF
ROSEMEAD

Management Division
Chief Administrative Office
County of Los Angeles

November 23, 1956

T A B L E O F C O N T E N T S

- I. Population and Assessed Valuation
- II. The Effect of Incorporation on the Existing Special Districts
- III. The Cost of Certain Selected Services
- IV. Revenue Sources Available to the City

This report is prepared on the basis of the boundaries of the proposed City of Rosemead filed by the proponents of incorporation with the Boundary Commission of the County of Los Angeles.

This report forms part of the material prepared by the Management Division, Chief Administrative Office, County of Los Angeles, for individuals and groups interested in questions relating to incorporation. In addition, a brochure on County services available to cities through contracts and special districts will be available for distribution in the near future.

I. POPULATION AND ASSESSED VALUATION

The Los Angeles County Regional Planning Commission has estimated the population of the proposed City of Rosemead to be 15,400 people living in 5,250 dwelling units.

For purposes of State subventions - the "gas tax" and the "in lieu" tax - the State bases its population estimates on the statutory formula of three times the number of registered voters on the rolls on the date incorporation takes place (i.e., the date the legal incorporation papers are filed with the Secretary of State). The State uses this statutory formula only until the next regular Federal census figures become available--probably in June 1961, unless there is a special Federal census before that date. Once Federal census figures become available, the registered voters formula is no longer used. It is obviously difficult to estimate the number of voters in Rosemead who will be registered on the date incorporation takes place--a date which has not yet been set.

The total registered voters within the proposed City of Rosemead has been established by the Registrar of Voters to be 7,742 as of November 19, 1956.

The assessed valuation of the proposed City of Rosemead has been estimated by the Tax Division, Auditor-Controller, County of Los Angeles at approximately \$11,900,000.

II. THE EFFECT OF INCORPORATION ON EXISTING SPECIAL DISTRICTS

Included within the territory covered by this proposed incorporation are 18 special districts:

	<u>Tax Rate 1956-57</u>
✓ 1. Road District No. 1	\$.0421
✓ 2. Los Angeles County Public Library	.0895
✓ 3. Los Angeles County Flood Control	.2714
✓ 4. Consolidated County Fire Protection	.5606
✓ 5. County Sanitation District No. 15	.2335
✓ 6. Rosemead Lighting District	.0973
✓ 7. Garvey Lighting District	.2341
✓ 8. Park, Recreation and Parking District No. 8	.2395
✓ 9. Temple City Sewer Maintenance District (1911 Act)	.0289
✓ 10. San Gabriel County Water District	No Levy
✓ 11. County Lighting Maintenance District No. 785	.2253
✓ 12. Rosemead School District	3.7670*
✓ 13. El Monte School District	4.2950*
✓ 14. El Monte Union High School District	--
✓ 15. San Gabriel School District	3.9871*
✓ 16. Alhambra City High School District	--
✓ 17. El Monte Judicial District	--
✓ 18. Alhambra Judicial District	--

*Elementary school district tax rate includes high school district tax rate where applicable.

The effect of incorporation on these special districts are broken down into four categories.

1. Incorporation would automatically either dissolve the district or withdraw that portion of the district lying within the proposed city.

One district--County Lighting Maintenance District No. 785--would be dissolved by the incorporation of the proposed city of Rosemead.

Upon incorporation, the city would be automatically withdrawn from County Road District No. 1. The city would be entitled to its pro rata share of the assets of the district based on the ratio of the assessed valuation of the city to the total assessed valuation of the district. Any money so received must be used for road purposes. The assets of the Road District refer only to the revenue accruing through the supervisorial road tax. Assets do not refer to Road Department facilities such as maintenance yards and equipment.

That portion of the Temple City Sewer Maintenance District lying within the proposed City of Rosemead would be automatically withdrawn. If it is the city's desire to continue to

receive the services under district operation and financed by the special district tax, the city may immediately adopt a resolution to cause the withdrawn portion to be reannexed to the district.

2. Incorporation would have no effect on the district unless affirmative action for withdrawal is taken by the City Council.

In four districts--Los Angeles County Public Library District, Consolidated County Fire Protection District, Rosemead Lighting District, and Garvey Lighting District--no automatic withdrawal of city territory results from incorporation. These districts would continue in the same manner as they existed prior to incorporation unless the City Council takes affirmative action to withdraw from one or more of these districts.

3. Incorporation would have no effect on the district unless the governing body of the district, after petition and hearing, takes affirmative action to withdraw.

The governing body of the San Gabriel County Water District and the Park, Recreation and Parkway District No. 8 may, after petition and hearing, take affirmative action to withdraw that portion of the district from within the city.

4. Incorporation would have no effect on the district, and the city is powerless to change this situation in any way whatsoever.

All remaining districts--Los Angeles County Flood Control District, County Sanitation District No. 15, and the five school districts--would continue exactly as they were prior to incorporation.

Judicial Districts

The proposed City of Rosemead lies within the El Monte and Alhambra Judicial Districts. The city must be withdrawn from one of these two judicial districts in order to comply with State statutes which provide that no city shall be divided so as to lie within more than one judicial district. Selection of the district in which the entire city shall be placed will be effected by the Board of Supervisors some time after incorporation and following an over-all review of the problem by appropriate County, City, and judicial offices.

EXPENDITURE OF THE SPECIAL DISTRICT
DISSOLVED BY INCORPORATION

PROPOSED CITY OF ROSEMEAD

Lighting Maintenance Districts

County Lighting Maintenance District No. 785

1954-55	\$1,067
1955-56	1,559
(Estimated) 1956-57	1,761

III. THE COST OF CERTAIN SELECTIVE SERVICES

Upon incorporation a new city must assume the responsibility for providing certain services. These services can be provided either through city employees hired for that purpose or through services supplied by the County at the city's request. This latter arrangement is referred to as the Lakewood Plan. Under this plan a city determines the level and degree of services it desires and then obtains these services from the County either through contracting for them or by remaining within a special County taxing district which provides for and finances such activities.

The County has trained personnel, equipment, and the necessary experience to do the job for the city. The primary advantage to the city is that it need not invest in costly expenditures such as buildings and equipment. Among the functions for which a city will assume responsibility are the following:

Law Enforcement

At present the Sheriff of the County of Los Angeles is providing police service in the Rosemead area. This patrol service is comprised of two-thirds of a 2-man car on the early morning shift, two-thirds of a 1-man car during the day, and two-thirds of a 2-man car during the evening. If requested by the city, this service will be continued for the balance of the fiscal year in which incorporation takes place in return for the County's retention of an amount equal to the city's share of fines and forfeitures during this period. For this sum, in addition to direct police patrol service, and if so requested by the city, the County during this period will provide city prosecution services, house prisoners charged only with violating city ordinances, and assume the city's obligation for emergency ambulance services.

Sheriff's services do not include affirmative traffic enforcement since this is the responsibility of the California Highway Patrol in the unincorporated territory. During the fiscal year in which the city incorporates, it is understood that the California Highway Patrol will continue traffic enforcement within the area of the city.

Following the end of the fiscal year in which incorporation takes place, the Sheriff will provide the level of police patrol services requested by the city--as long as the city pays the cost. Therefore, if the proposed City of Rosemead desires to continue the same level of law enforcement now provided by the County Sheriff, this level of service can be obtained for approximately \$46,000 a year, the exact cost being subject to annual recomputation.

If the proposed city of Rosemead wishes additional police-type services such as traffic enforcement and crossing guard service, it may contract with the County for these services at cost.

Fire

The fire protection services are now received from the Consolidated Fire Protection District. To continue this service the city simply remains within the district. The 1956-57 tax rate for the Consolidated Fire Protection District is approximately 56¢ per \$100 of assessed valuation.

If the City decides to withdraw from the Consolidated Fire Protection District, it would be entitled to its pro rata share of the assets of the district based on the ratio of the assessed valuation of the city to the total assessed valuation of the district. Assets refer only to land, buildings, equipment, and the revenue accruing from the fire district tax. The assets can only be used for fire protection.

Street Maintenance and Construction

At present, the 35.5 miles of paved streets contained within the proposed City of Rosemead are maintained by the Road Department of the County of Los Angeles. The cost for routine maintenance of these streets for the fiscal year ending June 30, 1956, was approximately \$36,900, with an additional \$5,600 for minor construction, the installation of signals, traffic stripings, repair of bridges, etc. For the fiscal year 1955-56 capital improvements with the proposed City of Rosemead totaled approximately \$10,900. Projected capital projects for the fiscal year 1956-57 total approximately \$17,200. If the city wishes, the County Road Department will continue to maintain the streets with funds budgeted for that purpose for the balance of the fiscal year in which the city is incorporated.

In addition, the pro rata share of assets of Supervisorial Road District No. 1 would be retained by the County to cover the cost of the particular services provided through this special tax fund for the balance of the fiscal year in which incorporation takes place.

At the beginning of the fiscal year following incorporation, street construction and maintenance will be the city's responsibility. The city can, if it so desires, contract with the County for street maintenance services, paying the cost of the services so received. This cost may be financed from State grants in aid such as the apportionment of the "State gas tax" and "in lieu tax" or from other normal sources of revenue such as the sales, tax, city property tax, business license fees, etc.

Library

The proposed city is now served by the Los Angeles County Library. This service can be retained by remaining within the Los Angeles County Library District.

Prosecution of City Ordinance Violations

The District Attorney, without charge, will prosecute State felonies and misdemeanors whether the community incorporates or not. If the city so desires, the District Attorney will provide prosecution services for the violators of city ordinances. The cost of this service during 1955-56 was \$6.10 per hour. The cost to the City of Lakewood for this service during the fiscal year 1955-56 was \$286.77.

Health and Sanitation Regulation

These services are now supplied by the County Health Department, including enforcement of State laws and regulations. If requested by the city, the County Health Department will continue enforcement of State Health and Sanitation regulations without charge as is already done in 44 of the 49 cities in this County.

If the city council desires enforcement of special local city ordinances, the city will be billed for the cost of enforcing these laws by the County health officer. Based on experience in other cities, it has been found that State Health regulations are generally adequate and that necessary local health ordinances may be held to a minimum. The cost of enforcing local health ordinances is nominal. For example, the cost to the City of Lakewood for health service for the fiscal year 1955-56 was \$702.00.

County Engineer

Building Services. At present the Los Angeles County Engineer provides building inspection service. Upon incorporation this service may be continued under contract with the County of Los Angeles at cost. The costs for the building and safety inspections for the most part will be covered by the fees paid by the applicants for permits. If permit fee revenues are insufficient to cover costs, the city is required to reimburse the County for the deficit incurred. However, if the applicants' fees more than offset the operating expenses of the County, the County will refund to the city all surplus over and above the operating costs.

Other Services. Additional services which the County Engineer can provide by contract or special agreement upon request of a city are the control and regulation of commercial and industrial waste, the regulation of rubbish and refuse disposal, sewer maintenance and construction, the verification of survey and mathematical details of final subdivision maps, architectural services for capital projects, storm drain improvements, and all inspections, assessments and general surveys for general city improvements.

III. (Cont'd)

Pound Service

To continue the existing services of animal regulation, the city need only to pass an ordinance identical to the County Pound Ordinance and contract with the County. The license fees authorized by this ordinance will be retained by the County and will pay for the pound service. Pound service becomes the obligation of the city immediately upon incorporation. The Pound service of the County of Los Angeles includes the pickup of stray and dead animals, 24-hour emergency call service, and rabies control.

County Jail

The County is responsible for housing in the County Jail all prisoners charged with the violation of State laws. The County will continue to provide this service without cost to the city. However, the care of city prisoners is a financial obligation of the city. The County can provide this service under contract to the city in which city prisoners charged with violation of city ordinances can be confined in the County Jail at a daily cost during 1956-57 of \$3.07 per male prisoner. The daily cost for housing of female prisoners is \$7.07. The cost of housing city ordinance violators is relatively small. In the City of Lakewood, the charge for 1955-56 fiscal year was \$1,194.74.

Emergency Ambulance Service

Emergency ambulance service is available to highway accident victims upon call from a police agency. This service can be provided by the County of Los Angeles under contract with private companies in which the individual using the ambulance pays for the cost of the service at \$10 for the first mile and \$1 for each mile thereafter.

If an individual does not pay the bill, the County will bill the city at \$9 for the first three miles and 65¢ for each mile thereafter.

Planning and Zoning

An over-all zoning or master plan will provide for the orderly development and control of the land within the city. This plan would either be administered through an advisory body appointed by the city council, called a Planning Commission, or directly by the city council. For effective administration of this plan, certain technical and staff services are necessary. The County of Los Angeles, through its Regional Planning Commission, can provide these services at cost. The cost of these services depends entirely on the amount of subdivision activity, economic

III. (Cont.)

development of the community, requests for zone exceptions, variances, special use permits, etc. This activity must be financed by the city immediately following incorporation.

Assessment and Collection of Taxes

All but two of the incorporated cities in the County of Los Angeles contract with the County for the assessment and collection of property taxes. As fixed by State law, the County charges for this service \$250 for the first \$25,000 of taxes collected plus one fourth of one per cent on the balance of the taxes collected.

Parks

Within the proposed City of Rosemead is one Park--the Rosemead Park. The park is operated under lease to the Park, Recreation and Parkway District #8. The advisory governing board of this district contracts with the Park and Recreation Department of the County of Los Angeles for the operation and maintenance of this park. Operation and maintenance costs of Rosemead Park for 1955-56 were approximately \$33,400*. The costs of the operation and maintenance of this park are financed by the revenue accruing from the tax levy of Park, Recreation and Parkway District #8.

*This cost does not reflect swimming pool operations.

CHECK LIST FOR CITY EXPENDITURE PROGRAM

No Direct Cost to City Treasury

Fire Protection	(No cost to the city if city remains within Consolidated Fire Protection District) Special tax levy
Pound Service	(By contracting with the County no cost to the city...license fees pay the cost)
Health	Enforcement of State laws by County...without charge.
Library Service	(No cost to the city if city remains within the Los Angeles County Library District) Special tax levy
Sewer Maintenance	(No cost to the city if city remains within Temple City Sewer Maintenance District) Special tax levy
Street Lighting	(No cost to the city for those areas served by the Rosemead and the Garvey Lighting District providing the city remains within these districts)
Building & Safety Services	Applicants' fees cover average cost

Obligations of City Treasury

Health Services (local ordinances)	No estimate - amount usually nominal.
Emergency Ambulance Services	No estimate - amount usually nominal.
City Ordinance Prosecution	No estimate - amount usually nominal.
Prisoner Facilities	No estimate - amount usually nominal.
Assessment and Collection of Taxes	Nominal amount fixed by statute.
Police Patrol Service	\$46,000 for continuance of present level of service.

CHECK LIST FOR CITY EXPENDITURE PROGRAM
(Continued)

Traffic Law Enforcement	No estimate.
Street Lighting*	No estimate as to cost for the area served by Lighting Maintenance District No. 785, which would be dissolved by incorporation. (See page 6)
Street Maintenance	\$42,500
Street Construction	No estimate
Planning & Zoning Services	No estimate
Subdivision Engineering Service	No estimate
Industrial Waste Services	No estimate
Business License Enforcement	No estimate
Local Parks	\$33,400. Operation & maintenance costs borne by special district tax.
Roadside Tree Services	No estimate
Traffic Crossing Guards (Schools)	No estimate

*The city, for the area formerly served by the lighting maintenance district dissolved by incorporation, can form local improvement districts to continue this type of service or the service can become a general obligation of the city.

IV. REVENUE SOURCES AVAILABLE TO THE CITY

General Property Tax

Incorporated cities have the authority to levy taxes on real and personal property. The limit of this levy is set by statute for general law cities (6th class) at \$1.00 per \$100 of assessed valuation. Many cities have a total tax rate exceeding one dollar as a result of taking advantage of special statutes which authorize specific additional levies for such purposes as recreation, libraries parks, and other specific purposes.

The amount of the property tax is basically the difference between the city's budgetary needs for operating purposes and the total of all other sources of revenue available to the city. In other words, the property tax is the balancing figure to make the city's financial ends meet. If expenditures are held to a minimum and other sources of revenue are substantial, the property tax can be reduced accordingly.

On the average, California cities obtain 40 per cent of their income from the property tax. The levy of the property tax and the amount returned from that levy will fluctuate from city to city depending upon the economic structure of the community, the availability of other revenue sources, and the type, level and degree of municipal services desired.

Business Licenses

The County business license fees (applicable in unincorporated areas only) cover only the cost of regulation and control, since the County has no authority to license for revenue. Thus, the amount received by the County for this service is relatively small. A city, on the other hand, is legally empowered to license for revenue, and many cities utilize this authority to raise substantial funds for city purposes.

Building Permits

The city, if it contracts for County Buildings and Safety Services, would probably fix permit and inspection fees at the same rate as the County charges for the unincorporated areas. These fees are fixed to cover average cost.

Subventions

1. "In Lieu" Tax on Motor Vehicles

The estimated per capita yield to cities from the "in Lieu" tax on motor vehicles for 1956-57 is \$5.54. This revenue comes from the State 2 per cent tax on the valuation of motor vehicles which is paid as part of the annual motor vehicle license fees. The total yield received by a city is computed by multiplying the per capita yield of \$5.54

IV. (Cont'd)

Subventions

1. (Cont'd)

by the city's population. The population for an incorporated area is determined by the latest Federal census, or, in the case of a new city, by multiplying the number of registered voters by 3.

The funds received from this source can be used for the regulation and control of highway traffic, street maintenance and construction, flood control, health, sewer maintenance, parks, street lighting and any State purpose.

The apportionment is made semi-annually, in December and June of each fiscal year covering the six months period ending at the end of November and May of each year. If the city incorporates on or before June 10 or December 10, it will receive the apportionment for the entire six months period. On June 10th the city will receive approximately \$5 per capita, and on December 10th the balance of 54¢ per capita.

2. State Gas Tax

The estimated per capita yield for cities from the State gas tax during 1956-57 is \$2.90. The total yield in the case of a new city (pending the next Federal census) is determined by multiplying the population (3 times the number of registered voters) by the per capita yield. Funds allocated to cities from the State gas tax are derived from 5/8th of a cent tax per gallon.

The law provides that 60 per cent of the funds received must be used for construction of major streets, and 40 per cent be used for maintenance of both major and secondary roads. Use of State gas tax funds is strictly limited to street construction and maintenance.

The apportionment of the subvention is made quarterly and a city incorporating on or before the last day of the calendar quarter will receive the apportionment for the entire quarter.

Sales Tax

Since April 1, 1956 there has been in effect in all of Los Angeles County a uniform sales tax of 1 per cent on all retail sales except food, whether the sale is made within the city or in unincorporated territory. Any city in the County, if it adopts the uniform 1 per cent sales tax, receives a total of 1 per cent of the proceeds from all taxable retail sales made within the city. If the city fails to adopt the sales tax, the County will receive the amount which would otherwise accrue to the city.

IV. (Cont'd)

Liquor License Fees

Net revenues from liquor license fees are apportioned semi-annually in April and October to each city in the proportion that the amount of fees collected in such city bears to the net amount collected throughout the State. The apportionments are made by the State Controller on the basis of data provided by the Department of Alcoholic Beverage Control.

The State Attorney General has issued an opinion that this money may be expended for any State or local purpose.

The amount of revenue which might accrue to a newly incorporated city will therefore depend directly upon the liquor license fees collected from the establishments located within the boundaries of the incorporated area.

County Gas Tax--Cash Aid to Cities

The County Aid to Cities is derived from 3/16th of a cent tax per gallon. The County distributes this money to cities on a formula based on population (85 per cent) and mileage of major streets (15 per cent). The estimated yield per person for 1956-57 is 60.6 cents, and the yield per mile of major road is \$217.36. This subvention by Los Angeles County is voluntary on the part of the County and is not required by State law.

Fines and Forfeitures

California cities receive revenue from fines and forfeitures imposed by the Inferior Courts following arrests within the city for violations of the Motor Vehicle Code, the Penal Code, or City ordinances. Funds derived from the imposition of fines for violations of city ordinances or the Penal Code can go to the city's general fund.

Other Sources

Other sources of revenue are amusement taxes, admission taxes, parking meters, rent from city-owned property, and the surplus, if the laws permit, from the earnings of municipally-owned utilities.

Dear Mr. Lambie:

Re: Proposed Annexation No. 64-1
to the City of San Fernando

Attached is a communication from S.E. Bergman, Principal Engineering Aide for the City of San Fernando, requesting the County Boundary Commission to check as to definiteness and certainty, in accordance with Title 4, Division 2, Part 2 of the Government Code, the boundaries of the above designated territory proposed to be annexed to the City of San Fernando.

Please review the description and map attached and return them with your recommendation to the County Boundary Commission.

Very truly yours,

GORDON T. NESVIG
Secretary

June 25, 1970

Mr. Martin C. Rohrke
State Board of Equalization
Sacramento, California

Dear Mr. Rohrke:

CITY OF SOUTH EL MONTE -
WITHDRAWAL FROM POTRERO
LIGHTING DISTRICT

On June 26, 1969, the City Council of the City of South El Monte passed Resolution No. 69-1154 withdrawing from the Potrero Lighting District all that portion of said district which lies within said city.

Complying with provisions of Section 19290 of the Streets and Highways Code, a certified copy of above resolution was filed with the Board of Supervisors July 1, 1969.

The withdrawal was effective on June 3, 1970, when contracts were modified as required by Section 19290 of the Streets and Highways Code.

These statements, with the enclosed map, resolution, and description of the territory involved, are submitted to you for filing in compliance with the provisions of Section 54900 et seq. of the Government Code.

Very truly yours,

John A. Lambie
COUNTY ENGINEER
